## Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. In making those risk assessments, the auditor considers internal control relevant to the company's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

Notes to the Financial Statements

For the Year Ended 31 May 2023

## 1 Statement of Significant Accounting Policies continued

### (d) Property, Plant and Equipment continued

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date. Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

#### Plant and equipment

Plant and equipment are measured on cost basis.

#### Property

Freehold land and buildings are shown at their fair value (being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction), based on periodic, but at least every five years, valuations by external independent valuers, less subsequent depreciation for buildings.

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

A valuation of Land Buildings and Intangibles was conducted in May 2023 and the change in values reflected in the May 2023 Financial Statements.

### (e) Inventories

Inventories are measured at the lower of cost and net realisable value.

### (f) Financial Instruments

#### Available-for-sale financial assets

Available-for-sale financial assets include any financial assets not included in the above categories. Available-for-sale financial assets are reflected at fair value. Unrealised gains and losses arising from changes in fair value are taken directly to equity.

#### Fair value

Fair value is determined based on current bid prices for all quoted investments. Valuation techniques are applied to determine fair value for all unlisted securities, including recent arm's length transactions, reference to similar instruments and option pricing models.

#### Financial assets at fair value through profit and loss

A financial asset is classified in this category if acquired principally for the purpose of selling in the short term or if so designated by management and within the requirements of AASB 139: Recognition and Measurement of Financial Instruments. Derivatives are also categorised as held for trading unless they are designated as hedges. Realised and unrealised gains and losses arising from changes in the fair value of these assets are included in the income statement in the period in which they arise.

## Notes to the Financial Statements

For the Year Ended 31 May 2023

### Financial liabilities

Non-derivative financial liabilities are recognised at amortised cost, comprising original debt less principal payments and amortisation.

### Held-to-maturity investments

These investments have fixed maturities, and it is the Company's intention to hold these investments to maturity. Any held-to-maturity investments held by the Company are stated at amortised cost using the effective interest rate method.

### Impairment

At each reporting date, the Company assess whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen. Impairment losses are recognised in the income statement.

### Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at amortised cost using the effective interest rate method.

### Recognition

Financial instruments are initially measured at cost on trade date, which includes transaction costs, when the related contractual rights or obligations exist. Subsequent to initial recognition these instruments are measured as set out below.

## (g) Intangibles

### Goodwill

Goodwill and goodwill on consolidation are initially recorded at the amount by which the purchase price for a business or for an ownership interest in a controlled entity exceeds the fair value attributed to its net assets at date of acquisition. Goodwill on acquisitions of subsidiaries is included in intangible assets. Goodwill on acquisition of associates is included in investment in associates. Goodwill is tested annually for impairment and carried at cost less accumulated impairment losses. Gains and losses on the disposal of an entity include the carrying amount of goodwill relating to the entity sold.

### Poker Machine Entitlements

The company holds 144 poker machine entitlements. These entitlements were granted to the company at no cost by the NSW government prior to June 1 2004. The entitlements can be sold should the company decide to reduce or cease its poker machine activities. The company cannot record these initial poker machine entitlements in the financial report as there was no purchase price paid on acquisition.

## Notes to the Financial Statements

For the Year Ended 31 May 2023

The company holds water entitlements of 635 megalitres of general security and 219 megalitres of high security water. Of the water entitlements held, only 170 megalitres of high security water has been purchased and is recognised in the financial reports. The company cannot record these entitlements in the financial reports as there was no purchase price paid on acquisition.

### (h) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of six months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the balance sheet.

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at present value of the estimated future cash outflows to be made for those benefits.

### (j) Provisions

Provisions are recognised when the Company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

### (k) Income Tax

In light of recent changes to the Company's constitution, the significant capital expenditure on the Bowling Green's project and continued commitments to Bowls, Golf and Tennis, the Directors have self-assessed the Club to be a sporting club for income tax purposes. The sporting club status of the Club will be re-assessed annually by the Directors to ensure the Club continues to meet the guidelines issued under Taxation Ruling TR97/22.

### (l) Revenue

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.
